7755 Pardee Ln Suite C, Oakland, California, 94621-3042, United States of America DaVita is seeking a Registered Nurse who is looking to give life in a hospital setting. You can make an exceptional difference in the lives of our patients and their families dealing with end-stage renal failure or chronic kidney disease. Do you desire to deliver care in an empathetic, compassionate way - the way you'd want your own care to be? If you haven't considered Nephrology before, read on as we think that you should. DaVita is on a quest to Build the Greatest Health Care Community the World Has Ever Seen. DaVita – which is Italian for giving life – is working to provide quality service to patients, partners, and teammates. Our mission is to be the Provider, Partner, and Employer of Choice. Some details about this position:

- No Dialysis experience is required.
- Training may take place in a facility or a training facility other than your assigned home facility
- Potential to float to various facilities during and after your training
- You must have a flexible schedule and be able to work mornings, evenings, weekends, and holiday

What you can expect:

- Be a part of a team that supports and relies on each other in a positive environment. Staff RNs are a central part of a small interdisciplinary team of clinicians.
- Deliver care to patients who are often dealing with multiple co-morbidities which require unique treatment plans and the ability to leverage a broad range of nursing skills and knowledge.
- Oversee a group of patients with the support of PCTs to conduct patient observations, measuring stats and machine set up.
- You will work with your head, heart and hands each day in a fast paced environment.
