### Job Description & Summary

A career in our State and Local Indirect Tax practice, within State and Local Tax services, will provide you with the opportunity to help our clients solve their business issues related to business restructuring, adoption of new tax laws, and communicating local tax developments. You'll help with assessing our client's state and local tax burden and recommend solutions that support their overall business objectives to ensure that their filing positions are consistent with good business practices and with the states applicable tax laws and rules.

Our team helps our clients manage their indirect tax responsibilities related to value added taxes, sales and use taxes, goods and services taxes, federal excise taxes, and other transaction taxes. You'll help with identifying and exploring indirect tax opportunities and

issues related to business expansion, systems and controls, refunds and cash flow, and policy and design.

As an Associate, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Invite and give in the moment feedback in a constructive manner.

Share and collaborate effectively with others.

Identify and make suggestions for improvements when problems and/or opportunities arise.

Handle, manipulate and analyse data and information responsibly.

Follow risk management and compliance procedures.

Keep up-to-date with developments in area of specialism.

Communicate confidently in a clear, concise and articulate manner - verbally and in the materials I produce.

Build and maintain an internal and external network.

Seek opportunities to learn about how PwC works as a global network of firms.

Uphold the firm's code of ethics and business conduct.
