International Tax Services

#### Management Level

Specialist

### Job Description & Summary

A career within International Tax Services will provide you with the opportunity to help PwC address their cross border tax needs both locally and globally by managing their global tax rates, finding areas of cost reduction, and responding to inquiries from regulatory authorities. You'll gain a global perspective and an awareness of tax issues stemming from changes to evolving business structures and geographic expansions.

Our International Tax Services Generalist - Practice Support team advises PwC Client Services team advises clients on tax laws and reporting, legislation and planning strategies based on the geography and jurisdiction. You'll be assisting our team with local tax laws, reporting requirements, statutory filings, corporate strategy, transfer pricing and indirect tax and other international taxation needs.

To really stand out and make us fit for the future in a constantly changing world, each and every one of us at PwC needs to be a purpose-led and values-driven leader at every level. To help us achieve this we have the PwC Professional; our global leadership development framework. It gives us a single set of expectations across our lines, geographies and career paths, and provides transparency on the skills we need as individuals to be successful and progress in our careers, now and in the future.

As a Specialist, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Conduct self in a professional manner and take responsibility for work and commitments.

Flex approach to meet the changing needs of teams and clients.

Identify and make suggestions for efficiencies and improvements when performing work.

Take action to stay current with new and evolving technology.

Use tools, techniques and firm standard methodologies to support research, analysis and problem solving.

Handle, manipulate and analyse data and information responsibly.

Communicate with empathy and adapt communication style to meet the needs of the situation and audience.

Manage expectations of stakeholders effectively.

Embrace different points of view and welcome opposing and conflicting ideas.

Uphold the firm's code of ethics and business conduct.

**All qualified applicants will receive consideration for employment at PwC without regard to ethnicity; creed; color; religion; national origin; age; disability; sexual orientation; gender identity or expression; genetic predisposition or carrier status; marital; or any other status protected by law. PwC is proud to be an inclusive organization and equal opportunity employer.**
