As an employee-first company, we focus on hiring the most talented software designers and developers in the western hemisphere, by creating a positive, respectful, and supportive work environment where they can achieve their greatest potential. We're most proud of: *Offering life-changing career opportunities to talented software professionals across the Americas. *Building highly-skilled software development teams for hundreds of the world's greatest companies. *Having delivered hundreds of successful custom software solutions, which have positively impacted the lives and careers of millions of users. *Our rating on GlassDoor. *Our client Net Promoter Score of 68, twice the industry average.

The Position:

We're looking to hire an AWS CloudFormation Engineer to join our team and contribute to the development and maintenance of our evolving technology infrastructure. You'll work with our incredible clients in one of two ways:

Team Augmentation: You will integrate yourself directly into our client's team and work alongside their existing designers and engineers on a daily basis.

Design & Build: You will work on a FullStack product team to build and deliver a product to our clients.

What we are looking for:

5+ years of experience as an AWS CloudFormation Engineer or similar role in a fast-paced environment.

Advanced English is required.

A four-year college degree is required.

Meaningful experience in cloud technologies (, AWS, Azure, etc.) with hands-on experience in designing, deploying, and managing cloud-based infrastructure.

Meaningful experience working with infrastructure as code (IaC) tools like Terraform, Ansible, or CloudFormation.

Meaningful experience in containerization technologies such as Docker and orchestration tools like Kubernetes and Rancher.

Solid understanding of networking concepts and protocols.

Ability to work collaboratively in a team environment and excellent communication skills.

Strong problem-solving and analytical skills.

Ability to take extreme ownership over your work. Every day is a challenge to ensure you are performing to the expectations you and your team have agreed upon.

Ability to identify with the goals of FullStack's clients, and dedicate yourself to delivering on the commitments you and your team make to them.

Ability to consistently work 40 hours per week.

Benefits:

Competitive pay in your local currency.

100% remote work.

The ability to work with leading startups and Fortune 500 companies.

English Classes.

Virtual company events each month.

Ample opportunity for career advancement.

Continuing education opportunities.

Depending on your location other benefits may apply.

FullStack is proud to be an equal opportunity workplace.
