(\*) Afiliada ExxonMobil significa Exxon Mobil Corporation y/o toda persona, individuo, sociedad de persona, sociedad con responsabilidad limitada, sociedad anónima, fideicomiso, sucesión, asociación no constituida, representante, joint venture u otra entidad, directa o indirectamente controlante, controlada por Exxon Mobil Corporation o bajo control común con Exxon Mobil Corporation. Para los fines de esta definición el término control (incluyendo los términos controlante y bajo control común con) significa posesión, directa o indirecta del poder para dirigir o disponer la dirección del manejo y políticas ya sea a través de la titularidad de títulos, acciones, cuotas o cualquier otro documento con derecho a voto, o por contrato o de otro modo, respecto de cualquier persona, individuo, sociedad de personas, sociedad con responsabilidad limitada, sociedad anónima, fideicomiso, sucesión, asociación no constituida, representante, joint venture u otra entidad.

Nothing herein is intended to override the corporate separateness of local entities. Working relationships discussed herein do not necessarily represent a reporting connection, but may reflect a functional guidance, stewardship, or service relationship.

Exxon Mobil Corporation has numerous affiliates, many with names that include ExxonMobil, Exxon, Esso and Mobil. For convenience and simplicity, those terms and terms like corporation, company, our, we and its are sometimes used as abbreviated references to specific affiliates or affiliate groups. Abbreviated references describing global or regional operational organizations and global or regional business lines are also sometimes used for convenience and simplicity. Similarly, ExxonMobil has business relationships with thousands of customers, suppliers, governments, and others. For convenience and simplicity, words like venture, joint venture, partnership, co-venturer, and partner are used to indicate business relationships involving common activities and interests, and those words may not indicate precise legal relationships.
