The Job

Scope of Work:

Daily Collaboration: Engages regularly with Customers, Team Coordinators, Quality Specialists, and other Creatives.

Client Interaction: Engage directly with Design Pickle's customers to comprehend their unique requests, set appropriate delivery expectations, and provide individualized and exceptional custom illustrations.

Collaborative Quality Assurance: Collaborate closely with the Team Coordinator and Quality Specialists to ensure that custom illustrations meet client specifications and align with brand aesthetics.

Creation of Unique Illustrations: Produce custom, one-of-a-kind illustrations that resonate with the client's messaging and brand identity, contributing to the storytelling process.

Visualization and Conceptualization: Translate client ideas and concepts into visually

compelling and original custom illustrations.

Asset Management: Organize and maintain custom illustration assets efficiently for seamless workflow and future reference.

Skill Refinement: Stay updated with the latest illustration techniques and industry trends to deliver cutting-edge, high-quality custom illustrations.

Client-Centric Flexibility: Adapt to additional service requirements as specified by the client, ensuring a tailored and unique creative output.

The Profile

Requirements :

Proficiency in using Adobe Photoshop and Illustrator for custom illustration creation.

Experience in conceptualizing and producing unique, custom illustrations based on client requirements.

Strong organizational and time-management skills for effective project execution.

Effective communication and collaboration skills to ensure client satisfaction.

The Employer

Our client is a global creative services company providing thousands of businesses with unlimited, high-quality design and illustration work at a flat rate. Founded in Scottsdale, Arizona, the company was created to deliver reliable, affordable, and scalable creative content to any business.
