If you are looking for a company where you can make the most of your talent and develop the skills needed for the Finance of the future, we have plenty of opportunities for you! The Finance Shared Services has an opening for the position of Team Leader. Having the ability to provide effective support and leadership through a business environment in constant change while at the same time balancing compliance / regulatory rules is key to ensure success in role. In this position, Team lead will have the opportunity to: Lead a work group, provide direction, and career advice. Exercise/Improve communication and negotiation skills to meet customers' high expectations. Strive to deliver exceeding results in a very dynamic business, producing timely value-adding data to feed the Business' decision-making process. Innovate, proactively explore new technologies and adopt growth mindset. Main responsibilities for this position: Use technology and critical thinking to lead high-quality decisions. Contribute to a continuous process improvement environment. Guide the team to understand and apply accounting fundamentals & principles to operational and closing activities. Provide financial analysis support for the business. Accounting support, Reconciliation review. Strive for process efficiencies adding value as a core driver in everything we do. Build engaging and meaningful relationships with internal partners and external customers. Proactive participation in local and global networks

Required Experience and Qualifications: Finance or accounting degree with at least 15 years of finance/accounting work experience. 5 years of leadership experience. Demonstrate Growth Mindset to explore new technologies to enable

innovation. Fluent in written and oral English. Skilled individual user in Microsoft Office suite – visualization tools Power Bi, automation tools Power App is preferred. SAP, JDE experience Strong analytical, problem solving and communication skills, able to work in dynamic scenarios. Critical thinking Adaptability to change. Enjoy working with people of diverse cultural backgrounds. Teamwork, proactive leadership

What You'll Do: Chevron offers opportunities to support our operating companies around the world. The BASSC team provides support to all Chevron business segments: Upstream, Midstream, Downstream, Corporate and New Energies. As your career with Chevron progresses, you will have the opportunity to work in multiple groups. Your initial responsibilities will depend on which division you join, but may include general oversight of team activities such as:

- Capital budgeting and cost analysis
- Corporate or operating company-specific accounting and regulatory reporting
- Financial forecasting, analysis and reporting
- Finance/accounting counsel and consulting
- Internal controls/compliance
- Liaise with other finance divisions
- Tracking accountability/scorecard metrics
- Sarbanes-Oxley compliance and reporting
- Corporate and Excise Tax
- Credit
- Month End Close activities
- Account Reconciliations

What we offer: Continuous learning and development of your technical, digital and soft skills Daily exposure to multiple and dynamic businesses/projects Become a key partner of the transformation Close contact with the latest digital technologies Teamwork and a global diverse and inclusive environment Agile, flexible work environment Search for continuous improvement. Chevron participates in E-Verify in certain locations as required by law. Chevron Corporation is one of the world's leading integrated energy companies. Through its subsidiaries that conduct business worldwide, the company is involved in virtually every facet of the energy industry. Chevron explores for, produces and transports crude oil and natural gas; refines, markets and distributes transportation fuels and lubricants; manufactures and sells petrochemicals and additives; generates power; and develops and deploys technologies that enhance business value in every aspect of the company's operations. Chevron is based in San Ramon, Calif. More information about Chevron is available at www.chevron.com .
