Company: JGV

Location: Buenos Aires

Category: other-general

We are a venture capital and private equity firm with an emphasis on emerging technologies, sustainability, and underserved markets. We partner with exceptional entrepreneurs to build transformative companies.

The Role

You will be responsible for :

Managing the budgeting, forecasting and long-term planning process.

Analysing actuals against budget/ forecast and prior year.

Supporting decision making by providing stakeholders with timely, detailed and meaningful insights and visibility on business performance.

Performing adhoc analysis where required to assist in management decision making.

Ideal Profile

You have at least 1 year experience within a Financial Planning & Analysis role, ideally within the Venture Capital / Private Equity industry.

You are a strong networker & relationship builder

You possess strong analytical skills and are comfortable dealing with numerical data

You are highly goal driven and work well in fast paced environments

What's on Offer?

Flexible working options

Opportunity to make a positive impact

Work in a company with a solid track record of performance
