

Financial Operations Analyst

[Apply Now](#)

Company: BA Global Talent

Location: Buenos Aires

Category: computer-and-mathematical

BA Global Talent is seeking a qualified professional to join its dynamic team in the role of **Financial Operations Analyst** to join our Finance team.

In this position you'll be able to assist along the finance team in a proactive work environment and you would be joining a fantastic group of people who not only demonstrate their belief in BA Global Talent and its mission but also deliver fantastic results. If you are a self-starter and can thrive in a fast-paced environment, then this is the role for you!

Apply now for an opportunity to start or further your career with a young, fast-growing company that values its front line.

Key Responsibilities:

Provide comprehensive support to the founding managers, ensuring seamless operations and effective decision-making.

Develop and maintain sophisticated financial models to facilitate valuation, planning, and forecasting activities.

Identify opportunities to optimize internal financial processes, driving efficiency and accuracy in financial reporting.

Conduct regular reviews and reconciliations to uphold the integrity of financial data and ensure compliance with regulatory requirements.

Assist in negotiating contracts with vendors and service providers, securing favorable terms and conditions to support the company's objectives.

Requirements:

Proven track record of 1-2 years in financial operations, including bookkeeping and accounts payable/receivable, preferably in a similar industry or environment.

Exceptional written and verbal communication skills in English, with the ability to articulate complex financial concepts clearly and effectively.

Strong analytical skills with the capacity to identify issues, analyze problems, and propose viable solutions to drive business success.

Proactive attitude with a commitment to teamwork, integrity, and ethical behavior in all aspects of work.

Eagerness to learn new skills and techniques, demonstrating a growth mindset and adaptability in a fast-paced environment.

Hands-on experience in using financial software and tools.

Ability to explain complex financial information in an understandable manner, catering to diverse audiences within the organization.

High level of expertise in Excel.

BA Global Talent actively seeking dynamic, dedicated, and resilient individuals to join our esteemed team!

Operating within a fast-paced and vibrant environment, we prioritize making strategic and timely career matches. We are on the lookout for candidates with a proactive mindset who thrive in a dynamic setting filled with challenges and rewards. As a tightly-knit group, the BA team collaborates closely to deliver an exceptional experience for both our clients and candidates. Our commitment to networking is paramount, leveraging strong relationships to

make a meaningful impact.

At **BA** we are deeply invested in the 'people' business, taking pride in the exceptional individuals who make up our team. We provide our team members with continuous opportunities for learning, development, and success in roles that are truly distinctive and fulfilling. Being a part of our team is a rewarding journey, offering the chance to transform lives and influence the way companies conduct business.

BA continues to achieve remarkable year-over-year growth. As we propel forward at full speed, we are in search of 'game changers' who are eager to be part of this exciting journey. Our work spans across the globe, encompassing roles at all levels and functions.
