Internet Research Specialist for Link Building Service Provider

[Apply Now](#)

Company: Premier Media

Location: Argentina

Category: other-general

Hello, Internet Researcher Specialists!

My name is Aaron Anderson and I am a Link Building Strategist. I'm the owner of LinkPitch, a link-building service provider that specializes in creating high-quality, relevant links that provide long-term benefits to our clients' website.

About the company:

At LinkPitch, we understand that SEO is an ever-changing landscape and it's important to stay ahead of the curve. Our team of experts continuously researches and tests new methods to ensure that our clients receive the most up-to-date strategies. We offer personalized services tailored to their specific needs and goals, so they can be sure that they're getting the best link-building practices for their website.

Our mission is to help our clients stay ahead of the competition by providing them with the highest quality link-building services available. We strive to create long-term relationships with our clients, providing them with the best link-building solutions that will help their websites reach new heights.

About the role:

We are looking for a detail-oriented and motivated Internet Research Specialist who will

assist us in generating leads for our outreach campaigns.

Your role will involve gaining an in-depth knowledge of link-building strategies and tactics and understanding the importance of personalization and the different approaches it requires for each type of website.

The successful candidate must have excellent communication and interpersonal skills, as well as the ability to think strategically and analytically. You must also be comfortable working in a fast-paced environment and be able to work independently as well as part of a team. If you have experience in link building, SEO, or digital marketing, this will be an advantage.

This would be a Full-time Remote position.

We are looking for someone that can work in the US time zones.

Responsibilities (but are not limited to):

Gain an in-depth knowledge of link-building strategies and tactics.

Generate leads for outreach from websites.

Understand the importance of personalization and the different approaches it requires for each type of website.

Monitor link-building progress and make adjustments as needed.

Provide analysis and reports on link-building campaigns.

Requirements

1+ years of experience in Internet Research

Excellent English and Spanish communication skills

Fast typing skills

Basic knowledge of SEO is a plus

Tech-savvy and quickly able to learn how to use a variety of online tools

Strong attention to detail

Have capacity to comprehend instructions and adhere to them strictly

Able to quickly grasp new concepts and adjust their approach in response to feedback

Maintain a high level of quality in their work, abstaining from any shortcuts

Benefits

Link Building training

Opportunity to learn how to run campaigns

Completely remote setting

Please note that you'll be joining a fast-paced and high-achieving team. You'll be held to high expectations and challenged. And you'll also be supported in your growth in this role professionally as well as personally.

If this sounds interesting to you, please proceed with the application.

The application procedure is simple (for UpWork):

After submitting your proposal, I'll send you some questions regarding your experience.

Shortlisted candidates will receive a 2nd round of questions so I can understand you as a person better. After the 2nd round of questions, you will be invited to perform a paid test project or a remote interview.

Kindly be advised that the recruitment process is being managed by Premier Media. For any further details or inquiries, please reach out to the Premier Media recruitment team, as they oversee all our hiring procedures.

Thanks and I look forward to hearing from you!
