

Investment Researcher - Plutus21 Capital

[Apply Now](#)

Company: Qureos Inc

Location: Argentina

Category: business-and-financial-operations

Location: Pakistan, Latin America and Africa

Job Type: Full-Time and Remote

Job Description:

We are seeking a highly motivated and detail-oriented Investment Researcher to join our team. The ideal candidate will have a strong background in finance with experience in investment research, report writing, financial analysis, or a related field. The Investment Researcher will be responsible for conducting in-depth research on various investment opportunities, analyzing financial data, and preparing reports for internal and external stakeholders.

Responsibilities:

Conduct research on potential investment opportunities, including stocks, bonds, and other securities

Analyze financial statements and market data to evaluate the performance of potential investments

Prepare detailed reports on investment opportunities, including recommendations for buy, sell, or hold decisions

Monitor and evaluate the performance of existing investments in our portfolio

Stay up-to-date with market trends, economic indicators, and industry developments

Collaborate with other members of the investment team to develop and implement investment strategies

Qualifications:

Candidate must be able to convincingly articulate investment insights. This means there is a liquid investment opportunity available today.

Strong grasp of valuation methodologies

Demonstrated passion for investing

Experience in investment research, report writing, financial analysis, or a related field

Candidates who have experience in managing their own investments are preferred

Strong analytical and quantitative skills

Excellent written and verbal communication skills

Ability to work independently and as part of a team
