

# Argentina Jobs Expertini®

## Java Software Engineer

[Apply Now](#)

Company: WIZELINE

Location: Argentina

Category: computer-and-mathematical

### Community Impact

We are proud to contribute to local economies by developing technology ecosystems in places like Mexico, Colombia, and Vietnam. We also created , a free, community-based education program that teaches high-value skills to workers looking to advance their tech industry careers. As of 2022, Academy has served more than 28,000 students across 675 courses. Wizeliners have the opportunity to upskill by taking Wizeline Academy courses and can also share their expertise by delivering classes to students.

### Your Day-to-Day

As a Senior Java Software Engineer at Wizeline, you will advocate for the use of cutting-edge technology to build intelligent and scalable products. You will act as a technology partner for our clients from inception to completion while architecting reusable front-end systems. By understanding their needs and translating requirements into world-class design, you will be responsible for delivering high-quality applications.

Partner with multidisciplinary teams located across the world (Technical Writing, User Experience, Product Management, and Project Management) to solve challenging problems. As a relationship builder with direct communication with stakeholders, you will also drive internal initiatives and objectives.

You will work on projects that will allow you to develop your skills and gain exposure to multinational brands. We promote fun and continuous learning and we are proud of working with the brightest minds in the industry.

### Are You a Fit?

Sounds awesome, right? Now, let's make sure you're a good fit for the role.

### **Must-have Skills**

To be successful in this role, you need:

Apache Kafka advanced, Microservices, architecture, and system design experience.

Deep knowledge of Kafka Streams

Good understanding of logging/metrics

Aggregation functions in the Kafka Streams API

Advanced Level:

**Kafka Streams (expert)**

**Kafka Connect (expert)**

**Kafka Consumer (expert)**

System Design

Java 8 / 11

Spring Web

PostgreSQL

InfluxDB

Kubernetes

Tools:

Skaffold

Helm

Jib

### **Nice-to-have Skills**

Some nice-to-have qualities that will further help you are:

AWS DynamoDB.

DynamoDB.

RDS (Postgres)

Still not convinced you should apply? Here are some of the things that make Wizeline different from other technology services companies:

### **Our Values**

At Wizeline, we value innovation, community, and ownership. Our commitment to diversity, inclusion, and respect fosters an environment where everyone does well and does good. We're proud to be recognized by the Human Rights Campaign Foundation in response to our inclusive corporate policies and best practices for LGBTQ+ employees.

### **Our Culture**

We offer exceptional career growth and learning opportunities to our employees with skill development workshops, mentoring programs, and support for side projects or entrepreneurial work. We ranked 7th on Expansión's Super Companies 2021 list.

### **Our Benefits and Perks**

We offer competitive compensation and employee-centric benefits, including industry-leading maternity and paternity leave, wellness programs, and remote work opportunities. All Wizeliners have access to continuous learning opportunities through , including cloud certifications, mentorship, LinkedIn Learning, Udemy, and in-house technical bootcamps developed by our experts in the field.

In recognition of our superb employee benefits, we debuted on Quartz's list of the Best Companies for Remote Workers and ranked 5th on Expansión's Super Workspaces 2021 list.

### **Our Global Family**

To support the global nature of our business and help our employees grow beyond their technical skills, we offer free virtual English and Spanish language classes as well as provide immigration support when applicable. Prior to COVID-19, we had a robust Work Abroad program in place, which we plan to continue once it's safe to do so.

### **#AllAreWelcomeHere**

Wizeline creates and fosters a diverse, inclusive, and harassment-free workplace where everyone can achieve their potential. All applicants will be considered for employment regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, veteran, or disability status.
