

Junior Research Analyst

[Apply Now](#)

Company: JLL

Location: Buenos Aires

Category: computer-and-mathematical

We are currently seeking

a dynamic individual for the role of **Junior Research Analyst** to join our team:

Location : Microcentro, Capital Federal, Buenos Aires, Argentina.

Work schedule : Monday to Friday, 9:00 am to 6:00 pm.

Work model : Hybrid.

Contract Type : Indefinite-term.

The Junior Research Analyst will play a crucial role in tracking and analyzing various aspects of the commercial real estate market. This role will involve leveraging knowledge and expertise to develop research products, client deliverables, and business development packages. The analyst will provide support to senior research staff by collecting, verifying, analyzing data, and creating reports and collaterals.

What is your day to day?

Supports senior research staff by data collection, verification, analysis and report and collateral creation.

Closely track, record and update data related to properties, leases, tenants, availabilities, developments, sales and owners, the local economy, demographics and company performance, among other aspects of the market.

Actively contribute to JLL's internal data management system and adopt or discover new

creative uses for its content and visualization tools.

Regularly update building stacks with current tenant information for essential properties in the market.

Respond to internal and external client requests for data and insight.

Track, maintain and disseminate detailed data for critical market indicators.

Performs regular monitoring of the real estate market by telephone surveys, on-site surveys, internet, among others.

Required

Bachelor's degree in Sociology, Economics, business administration or a related field.

Advanced level of English.

Strong analytical and research skills, with the ability to collect, interpret, and synthesize data into actionable insights.

Excellent written and verbal communication skills.

Detail-oriented with a high level of accuracy in data collection and analysis.

Ability to work independently and as part of a team in a fast-paced environment.

Proficiency in Microsoft Office suite and advanced proficiency in Excel.

Availability to carry out relevant information in the field, attending different central points of the city.

Location: On-site –Buenos Aires, ARG
If this job description resonates with you, we encourage you to apply, even if you don't meet all the requirements. We're interested in getting to know you and what you bring to the table! Jones Lang LaSalle (JLL), together with its subsidiaries and affiliates, is a leading global provider of real estate and investment management services. We take our responsibility to protect the personal information provided to us seriously. Generally the personal information we collect from you are for the purposes of processing in connection with JLL's recruitment process. We endeavour to keep your personal information secure with appropriate level of security and keep for as long as we

need it for legitimate business or legal reasons. We will then delete it safely and securely.
