

Korean to Spanish-LATAM Game Translator (Freelance/remote Job)

[Apply Now](#)

Company: Keywords Studios

Location: Argentina

Category: other-general

Description

Combining your passion for games with your translation skill, a better gaming experience will be possible through your effort!!

We are calling for potential linguists to join our Korean-to-Spanish (LatAm) translators' pool.

Our range of projects includes collaboration with various well-known gaming publishers over the globe. Project length might vary and be flexible according to your availability.

As this is a freelance position, the job can be done from anywhere, such as in your home office.

Apply and find out more!

*Please kindly provide your CV in English.
