

MATERIAL PROCUREMENT PLANNER

[Apply Now](#)

Company: Firmenich

Location: Argentina

Category: other-general

Location : Don Torcuato, Buenos Aires, Argentina

Job Model: Hybrid

As a Material Planner for our Taste business unit you will be responsible for ensuring the efficient availability of materials for production. You will develop and manage the planning platform, aiming to reduce delivery times and costs of raw materials or finished products. Your role is essential to ensure efficient delivery to our customers.

Key Responsibilities

Follow up purchase orders placed with external and internal suppliers, as well as monitor their performance.

Work proactively to improve the supply process leading with the different roles involved in the process (purchasing, quality, logistics, suppliers, warehouse).

Maintain inventory levels aligned to target.

Set up metrics to identify recurring problems and trends.

Properly apply planning parameters and suggest changes or improvements

You bring

A degree in Business, Industrial, Chemical or Food Engineering, or related fields.

At least 3 years of experience in production planning at chemical, food, pharmaceutical or cosmetic industries.

Knowledge of SAP system

Advanced Excel

English intermediate/advanced level

We bring

A rich history and a promising future of bold scientific innovation and passionate creation with our customers

A space to grow by encouraging and supporting curiosity and an open mindset

A culture that prioritizes safety and well-being, both physically and mentally

The opportunity to work for a company where sustainability is much more than a claim and is core to our strategy and purpose

A flexible work environment that empowers people to take accountability for their work and own the outcome

Barrier-free communities within our organization where every employee is equally valued and respected – regardless of their background, beliefs, or identity
