OCM - Change Management Leader (Software Deployment)

[Apply Now](#)

Company: Glencore

Location: , , Argentina

Category: other-general

We are currently seeking a highly experienced Change Management Leader to lead the deployment phase of a critical software implementation project within our global organization. This role is crucial for the successful adoption and utilization of a new system across our regional offices and assets. The ideal candidate will be taking over from the previous leader, with a primary focus on reviewing existing prepared materials and leading the execution phase, ensuring all aspects of enablement, communication, training, and user engagement are effectively managed. In this role you will be responsible for: About the profile: How to apply:Start your application by clicking the begin button.
