Part-Time Business Analyst Intern - Buenos Aires

[Apply Now](#)

Company: BTS

Location: Buenos Aires

Category: business-and-financial-operations

About BTS...

BTS is a forward-thinking consultancy dedicated to the human side of strategy. With over three decades of experience, we craft impactful learning experiences that transform businesses and empower individuals. Our unique blend of business expertise and transformative development helps leaders and organizations evolve together, turning strategy into tangible results. In essence, we unlock human and business success.

What you'll do as a Business Analyst Intern BTS...

Development

Collaborate with internal teams to support project management and result measurement of our customized learning solutions.

Ensure quality assurance by meticulously reviewing deliverables, conducting testing on simulations, and assisting with translations.

Contribute to the design of learning programs aligned with strategy and business priorities drawing upon your own skills, knowledge and structured information gathering from key stakeholders within each client.

Support in interviews with clients to gain a deep understanding of their company's critical business, people-related and cultural challenges, and the levers for driving success.

Sales & Marketing

Support the marketing team with event planning , attendee coordination, and materials

preparation for events.

Work collaboratively with our Marketing & Sales enablement team to identify new sales opportunities within the region.

Participate in client sales meetings and **provide support to Account Managers** throughout the sales cycle.

What we are looking for...

Currently in the **last two years of university** studying a relevant degree, such as business, marketing, human resources, communication.

Excellent communication, confident presentation skills and fluency in Spanish and English . Knowledge of another language (especially Portuguese or Italian) will be looked upon favorably but is not a requirement.

Interest in **strategy, leadership, organizational culture, project management and consultative selling** .

Strong **analytical skills** and **ability to synthesize complex information** for effective solutions.

And above all – someone who **enjoys working in a fun environment** , led by the principles of freedom and responsibility, and demonstrates **curiosity to understand our clients and how to help them get better results** so enable their people to do the best work of their lives .

Why you should apply...

Join a **big-hearted and hard performing** , growing team.

Engage with senior executives from top companies in the region.

Connect and work with **global cross-functional teams**.

Make a real difference in people's careers.

Acquire and refine **essential skills for your professional career** through **hands-on experience**

Build lasting connections with industry professionals.

Get the **opportunity to potentially become part of our team full-time** after graduating

Join BTS for a dynamic and rewarding experience where you'll contribute to unlocking success for both individuals and businesses . Apply now to be a part of our innovative and collaborative team!
