Work for a practice recognized on the “Top Workplaces USA” list! Eye Associates of New Mexico, a large doctor-owned practice, is seeking a BC/BE, fellowship-trained Pediatric Ophthalmologist to join our Albuquerque, NM practice. Candidates must possess both excellent clinical knowledge and excellent surgical skills. Our clinics provide a high volume, high pathology, patient care environment with patients presenting a full spectrum of medical and surgical disorders. Excellent opportunity for an ophthalmologist who values a service oriented, team based work environment with a strong commitment to providing quality patient care. Extensive patient base will promptly allow for a busy practice. Eligible for partnership consideration after the second year of employment. Practice website: <https://www.eyenm.com> Albuquerque’s high-desert location offers 300+ days of sunshine a year, four seasons, low humidity, a convenient airport and proximity to many recreational activities including, hiking, kayaking, mountain biking, road cycling, skiing and golf. It provides diverse cultural offerings and an active arts community. In addition, Santa Fe – one of the country’s most popular tourist destinations – is only one hour away.
