

Piping Designer Level I

[Apply Now](#)

Company: Worley

Location: Buenos Aires

Category: other-general

Building on our past. Ready for the future

Worley is a global professional services company of energy, chemicals and resources experts headquartered in Australia.?

Right now, we're bridging two worlds as we accelerate to more sustainable energy sources, while helping our customers provide the energy, chemicals and resources that society needs now.

We partner with our customers to deliver projects and create value over the life of their portfolio of assets. We solve complex problems by finding integrated data-centric solutions from the first stages of consulting and engineering to installation and commissioning, to the last stages of decommissioning and remediation. Join us and help drive innovation and sustainability in our projects.

We are looking Piping Designers Jr or Ssr to join our department in the offices of Bahia Blanca / Neuquen or Buenos Aires

The designer's responsibilities are included, but not be limited to, the following:

Responsibilities

- Willing to learn how to elaborate complex piping designs, detailed piping general arrangements, sections, isometrics & bills of materials.
- Participate in site visits when required.
- Ensure that work conforms to applicable codes, standards and client specifications.
- Must be willing to work at Office in Puerto Madero in a mix scheme Virtual-presential

What you will bring

·1 or 2 years of experience in detail piping design with 3D modeling softwares will be preferred

·Must have high level with AUTOCAD 3D

·Must be willing to work at Office in Puerto Madero in a mix scheme Virtual-presential

·Advanced engineering students and knowledge of English will be valued

Base o Lugar De Trabajo

Bahía Blanca / Neuquén o Buenos Aires, Argentina

Moving forward together

We want our people to be energized and empowered to drive sustainable impact. So, our focus is on a values-inspired culture that unlocks brilliance through belonging, connection and innovation.

We're building a diverse, inclusive and respectful workplace. Creating a space where everyone feels they belong, can be themselves, and are heard.

And we're not just talking about it; we're doing it. We're reskilling our people, leveraging transferable skills, and supporting the transition of our workforce to become experts in today's low carbon energy infrastructure and technology.

Whatever your ambition, there's a path for you here. And there's no barrier to your potential career success. Join us to broaden your horizons, explore diverse opportunities, and be part of delivering sustainable change.
