About us At ExxonMobil, our vision is to lead in energy innovations that advance modern living and a net-zero future. As one of the world's largest publicly traded energy and chemical companies, we are powered by a unique and diverse workforce fueled by the pride in what we do and what we stand for. The success of our Upstream, Product Solutions and Low Carbon Solutions businesses is the result of the talent, curiosity and drive of our people. They bring solutions every day to optimize our strategy in energy, chemicals, lubricants and lower-emissions technologies. We invite you to bring your ideas to ExxonMobil to help create sustainable solutions that improve quality of life and meet society's evolving needs. Learn more about our What and our Why and how we can work together . More about us We are Procurement. As a team of highly motivated and diverse professionals, we add value to the business by providing support to procurement professionals or end users (Business & Service Lines) which may include creating requisitions, services and goods confirmations, invoices administration, as well as creating and maintaining contracts for materials services and freight in SAP used by various business lines. Overall support to the end users in the different steps of the PtP (Purchase to Pay) process may be part of the role as well. Great customer service, and process & controls oriented mindset will be essential for day-to-day activities. ExxonMobil is committed to promote diversity and to provide all candidates with equal opportunities. We value our people over their jobs, looking for the best candidate, regardless of age, ethnicity, religion or gender identity. Each individual and their unique perspective is what makes us stronger and powerful. Build a career with us and use your energy to change the world!
