## Product Controller - Securities Services Liquidity Associate

[Apply Now](#)

Company: JPMorgan Chase & Co.

Location: Buenos Aires

Category: other-general

### Product Controller - Securities Services Liquidity Associate

JPMorgan Chase & Co. (NYSE: JPM) is a leading global financial services firm with assets of \$2.6 trillion and operations worldwide. The firm is a leader in investment banking, financial services for consumers, small business and commercial banking, financial transaction processing, and asset management.

The product control function provides support to the financial controllers and trading desks to ensure that the P&L, balance sheet, and month end close procedures are done correctly and accurately.

#### Position description

As a Product Controller - Securities Services Liquidity Associate within our financial control team, you will provide support to the financial controllers and trading desks, ensuring the accuracy of P&L, balance sheet, and month-end close procedures. You will have the opportunity to promote forth and implement robust controls and new business initiatives, coordinate across various front & back office support functions, and serve as an analytical and project support resource. This role offers a dynamic work environment and the chance to handle various ad-hoc requests on a daily basis.

#### Job responsibilities:

Assist with daily P&L reporting and month-end close processes

Provide detailed analysis and reporting on the financials to desk heads, business managers, and senior finance management

Partner with the business to drive forth and implement robust controls and new business initiatives

Drive coordination across various front & back office support functions to ensure resolution of control and reporting issues in an accurate and timely manner

Serve as an analytical and project support resource for product control

Handle various ad-hoc requests on a daily basis

**Required qualifications, capabilities and skills:**

3+ years within Product Control, Financial Control, Accounting, or related area

Experience doing P&L and month end close process

Bachelor's degree in Accounting, Finance, Business or related area

Strong analytical skills and attention to detail including a strong control focus

Excellent communication skills and ability to develop strong working relationship.

**Preferred qualifications, capabilities and skills**

Solid understanding of financial products would be advantageous
