Company: Happy Agencies

Location: CABA

Category: sales-and-related

We are looking for an organized individual to fill the role of Project Manager in our lively marketing company, located in Capital Federal, Buenos Aires. Experience in project management isn't essential, but a strong background in customer service and an understanding of marketing principles will be highly valued. Your Role: Coordinate and oversee marketing projects, ensuring they align with client expectations and deliverables. Foster excellent relationships with clients, understanding their needs, and ensuring top-notch service. Collaborate with creative and strategic teams, contributing insights from your customer service and marketing experience. Keep projects on track, managing schedules and resources with a keen eye for detail. Requirements While prior experience in project management isn't mandatory, a strong foundation in customer service is crucial. A basic understanding of marketing concepts, or a keen interest in learning more about the industry. Excellent communication skills and the ability to work collaboratively with a team. Proactive, organized, and ready to embrace the challenges and rewards of working in a fast-paced marketing environment. Fluency in English both verbal and written. This full-time, in-person position is perfect for someone looking to make a significant impact in a growing company. Benefits A competitive salary that reflects your skills and potential. A dynamic, on-site work environment bustling with creativity. Opportunities to work on diverse projects in the ever-evolving world of marketing. Regular opportunities for professional development in marketing and related fields.
