Remote Archicad expert for Interior Design & Documentation

[Apply Now](#)

Company: Uptalent.io

Location: Argentina

Category: production

Uptalent.io, a global platform that provides top tier talent from Latam to the most exciting companies in the world, is seeking an Archicad Expert for Interior Documentation. Uptalent connects skilled professionals with innovative companies, bridging the gap between talent and opportunity.

As an Archicad Expert for Interior Documentation, you will be responsible for creating detailed and accurate interior documentation for Residential and Commercial projects. You will collaborate with cross-functional teams to ensure compliance with project specifications and deliver high-quality interior documentation solutions. This role offers a dynamic and challenging opportunity to showcase your expertise and contribute to groundbreaking projects.

Responsibilities

- Create detailed interior documentation using Archicad software: 3D Model, Constructive Drawings, Demolition Plans, etc.

- Create attractive photorealistic interior renderings.

- Collaborate with architects & designers to ensure accurate interpretation of project specifications

- Review and revise interior documentation based on feedback and requirements

Maintain a thorough understanding of industry codes, regulations, and standards

Contribute to the development and improvement of interior documentation processes and procedures

Liaise with internal and external stakeholders to address project-related queries and challenges

Stay updated with the latest advancements in Archicad software and recommend enhancements to optimize project efficiency

Requirements

Bachelor's degree in Interior Design or a related field

Proven experience as an Archicad Expert, with a focus on interior documentation.

Proficiency in Archicad software including creating 3D models, generating construction documentation, and managing project data

Excellent attention to detail and ability to produce accurate and precise interior documentation solutions

Fluent in English. Effective communication skills to collaborate with cross-functional teams and address project-related queries

Ability to work independently and in a team environment, while managing multiple projects simultaneously

Familiarity with industry codes, regulations, and standards related to Interior Design in the US.

Previous experience working for the US will be valued.

Having a strong portfolio showcasing relevant projects related to the job description.

Benefits

Work for the most exciting companies in the North American Market.

Flexible schedules.

Work from anywhere.

Highly competitive compensation.
