The Job

Overview

The Brand Specialist plays a crucial role in upholding our client's brand integrity and overall creative strategy. Your main focus will be ensuring that all design projects meet our client's unique brand standards and our high creative benchmarks. While you won't be generating new content, you'll need a keen understanding of design principles and the ability to adapt brand guidelines for various regional and local applications.

Scope of Work:

Daily Collaboration: Engages daily with Customers, Team Coordinators, Quality Specialists, and Creatives.

Client Communication: Engage directly with Design Pickle's customers to comprehend

their unique requests, set appropriate delivery expectations, and provide individualized and exceptional graphic designs.

Collaborative Quality Assurance: Collaborate closely with the Team Coordinator, Quality Specialists, and other applicable teams to ensure design quality adheres to brand guidelines.

Creation of Visual Content: Work closely with the production team to craft visually engaging designs for various platforms including social media, websites, and digital channels.

Graphic Editing and Creation: Transform raw visual assets into polished, high-quality designs aligned with brand guidelines and client messaging

Asset Management: Organize and maintain custom illustration assets efficiently for seamless workflow and future reference.

Skill Enhancement: Stay updated with the latest design software and techniques to ensure the highest quality output.

Additional service requirements as needed by the client.

The Profile

Robust conceptual, graphic design, type, and page layout skills for projects ranging from print to interactive to broadcast.

Exceptional eye for detail and a deep understanding of the technical aspects of branding.
