About the SAP Internship Experience Program

The SAP Internship Experience Program is SAP's global, strategic, paid internship program that provides university students with opportunities to find purpose in their careers.

Three reasons to intern at SAP

1. **Culture of collaboration:** meet with mentors, make new friends across the globe and create a thriving personal network.
2. **Project-driven experience:** gain cross-functional skills from our virtual and in-person learning sessions, diverse subject matter experts, and project deliverables.
3. **Gain visibility** with SAP Internship Experience Program in your title, you'll have a global network of SAP leaders, entrepreneurs and career development opportunities at your

fingertips.

About the team

As the leading technology company for digital businesses, SAP serves nearly 300,000 customers in 190 countries. 80 million users make SAP the largest enterprise cloud company in the world, along with business networks that transact nearly \$1 trillion annually. The Global Finance Shared Services organization (GFSS) is a business unit with 1,200+ employees delivering end-to-end finance operations from a set of vibrant and multicultural locations around the globe: Buenos Aires, Dublin, Manila, Prague and Singapore.

Our highly engaged teams specialize in Order to Invoice, Cash Collections, Procure to Pay, Travel & Expense and Record to Report. Additionally, at [REDACTED]: a highly skilled workforce collaborating across the globe on common topics, engaged colleagues creating value by simplifying and optimizing operations and one motivated global team working together towards shared goals.

Also, at GFSS, you will find exciting career opportunities, a diverse work environment providing opportunities to grow, development & learning opportunities and an international business network for you learn and grow from.

Within GFSS, SAP employees have an opportunity to handle end-to-end high-quality finance services to SAP customers throughout the Globe.

We build breakthroughs together

SAP innovations help more than 400,000 customers worldwide work together more efficiently and use business insight more effectively. Originally known for leadership in enterprise resource planning (ERP) software, SAP has evolved to become a market leader in end-to-end business application software and related services for database, analytics, intelligent technologies, and experience management. As a cloud company with 200 million users and more than 100,000 employees worldwide, we are purpose-driven and future-focused, with a highly collaborative team ethic and commitment to personal development. Whether connecting global industries, people, or platforms, we help ensure every challenge gets the solution it deserves. At SAP, we build breakthroughs, together.

We win with inclusion

SAP's culture of inclusion, focus on health and well-being, and flexible working models help ensure that everyone – regardless of background – feels included and can run at their best. At SAP, we believe we are made stronger by the unique capabilities and qualities that each person brings to our company, and we invest in our employees to inspire confidence and help everyone realize their full potential. We ultimately believe in unleashing all talent and creating a better and more equitable world.

SAP is proud to be an equal opportunity workplace and is an affirmative action employer. We are committed to the values of Equal Employment Opportunity and provide accessibility accommodations to applicants with physical and/or mental disabilities.
