Senior CRA - Buenos Aires

[Apply Now](#)

Company: IQVIA

Location: Buenos Aires

Category: computer-and-mathematical

Whether you're beginning or continuing your career as a CRA, this role is an ideal stepping-stone. You'll have training and development to plan and progress your career in the direction you choose. And you won't do it alone – you will have dedicated mentoring and receive structured quarterly reviews on performance, promotion and bonus awards.

Award winning and innovative, we'll give you access to cutting-edge in-house technology, allowing you to work on global projects but with a regional / home state travel remit, so no need for national travel in certain countries. You'll be building a smart and flexible career with no limits.

While projects vary, your typical responsibilities might include:

Performing site selection, initiation, monitoring and close-out visits, plus maintaining appropriate documentation

Supporting the development of a subject recruitment plan

Establishing regular lines of communication plus administering protocol and related study training to assigned sites

Evaluating the quality and integrity of site practices – escalating quality issues as appropriate

Managing progress by tracking regulatory submissions, recruitment, case report form (CRF) completion, and data query resolution

You will need to be comfortable collaborating and communicating with a variety of colleagues

and customers. Ideally, you will also have a good basic knowledge of applicable clinical research regulatory requirements.

REQUIREMENTS

You should have:

A Bachelor's degree in a health care or other scientific discipline or educational equivalent

At least 4 years of on-site monitoring experience.

Advanced in English.

Located in Buenos Aires, Argentina. Home based possibility in a short term period.

Alternatively, you should have an equivalent combination of education, training and experience

If you want to make an impact in the global research market, where we are working to make a real difference in patient health, we ask you to apply now and join our team.

Connect to great opportunity™
