

SENIOR DATA ENGINEER

[Apply Now](#)

Company: Svitla Systems, Inc.

Location: Argentina

Category: computer-and-mathematical

Requirements:

5+ years of experience as a data engine

Strong understanding of data warehousing concepts and experience working with large volumes of data.

Exhibit proficiency in Spark, Python, and SQL to effectively manage and manipulate data.

Proficiency in BI tools (PowerBI).

Experience in building and optimizing data pipelines.

Familiarity with compliance-based environments and experience in building compliant software solutions.

Advanced working SQL knowledge and experience with relational and NoSQL databases.

Experience with Azure Databricks, including Data Engineering, Data Warehousing, and Delta Lake.

Responsibilities:

Utilize expertise in data concepts to work with large volumes of information effectively.

Develop and maintain BI solutions using tools like Power BI, Tableau, etc.

Design and implement robust data pipelines to ensure seamless data flow and accessibility.

Demonstrate proficiency in message queuing, stream processing, and highly scalable data stores.

Collaborate with cross-functional teams to build and deploy compliant software solutions in a compliance-based environment.

Utilize advanced SQL knowledge to work with relational and NoSQL databases, including query authoring and familiarity with various database systems (e.g., SQL Server, Neo4j, Elastic, Cosmos).

Build and optimize data pipelines on Azure Databricks, leveraging an in-depth knowledge of data engineering, data warehousing, and Delta Lake on Databricks.

Exhibit Spark, Python, and SQL proficiency to effectively manage and manipulate data.

We Offer:

US and EU projects based on advanced technologies.

Competitive compensation based on skills and experience.

Annual performance appraisals.

Remote-friendly culture and no micromanagement.

Bonuses for recommendations of new employees.

Bonuses for article writing, public talks, other activities.

15 vacation days, 10 national holidays, sick leaves.

Udemy unlimited training account.

Free webinars, meetups and conferences organized by Svitla.

Fun corporate celebrations and activities.

Awesome team, friendly and supportive community!
