

SENIOR FULL STACK ENGINEER (BACK END)

[Apply Now](#)

Company: Svitla Systems, Inc.

Location: Argentina

Category: computer-and-mathematical

Requirements:

5 years of experience as a Python Developer in a production environment (for this role, we're looking for a senior backend or full stack developer).

Knowledge of Python and related frameworks like Flask.

Ability to hit the ground running in a command line and scripting environment.

Understanding of relational databases like PostgreSQL.

Experience working with test-driven development and unit test frameworks, as well as robust testing and debugging skills.

Both an independent individual contributor and team player with good English communication skills.

Will be a plus:

Knowledge of front-end technologies like React (if the candidate has not worked with React before, he should be ready to learn it on the project).

Experience with Kafka and RPC frameworks like gRPC.

Responsibilities:

Become an expert on your teams' technical stack(s), and gain knowledge on the business domains.

Plan, implement, and deploy changes following the client's established software development lifecycle (SDLC) and best coding, testing, and monitoring practices.

Take part in on-call rotation.

Produce technical design, test, and launch planning documentation for complex projects and/or projects with complex dependencies.

Troubleshoot, debug and fix production issues as they arise.

Participate in teams' scrum meetings, collaborate with team engineers, and contribute to design and code reviews.

We Offer:

US and EU projects based on advanced technologies.

Competitive compensation based on skills and experience.

Annual performance appraisals.

Remote-friendly culture and no micromanagement.

Bonuses for recommendations of new employees.

Bonuses for article writing, public talks, other activities.

15 vacation days, 10 national holidays, sick leaves.

Udemy unlimited training account.

Free webinars, meetups and conferences organized by Svitla.

Fun corporate celebrations and activities.

Awesome team, friendly and supportive community!
