

Argentina Jobs Expertini®

Senior UI / Visual Designer - All LATAM countries / Fully Remote

Apply Now

Company: Halo Media

Location: Argentina

Category: other-general

Halo believes in innovation by inclusion to solve digital problems. As an international agency of over 200 people specializing in interactive media strategy and development, we embrace equity and empowerment in a serious way. Our interdisciplinary teams of unique designers, developers and entrepreneurial minds with a variety of backgrounds, viewpoints, and skills connect to solve business challenges of every shape and size. We empathize to form **deep, meaningful relationships** with our clients so they can do the same with their audience. **Working at Halo feels like belonging.** Learn more about our philosophy, benefits, and team at [halo.media/careers](#)

We are in search of an exceptional and experienced **Senior UI & Visual Designer** to join our dynamic team, specializing in crafting expert solutions for the human resource and healthcare industry. As a Senior UI & Visual Designer, you will play a pivotal role in shaping outstanding user experiences, visually captivating interfaces, and forward-thinking visual designs for our digital products, driving innovation and enhancing patient care and healthcare professionals' workflows.

Please, apply to a single location and leave your portfolio where indicated. :)

Responsibilities

User-Centered Design Excellence Lead cross-functional teams and leverage your wealth of experience to gain deep insights into user needs and pain points within the healthcare domain.

Visual Design Leadership Set the bar for visual design excellence and provide

creative direction to drive the visual design language of our healthcare products.

Data Visualization Mastery Collaborate closely with other designers to design and implement innovative data visualization solutions that adeptly communicate complex medical information to users.

Design System Advancement Take charge of the development and enhancement of our design system, ensuring meticulous consistency and coherence across diverse healthcare products and platforms.

Information Architecture Expertise Collaborate with product managers and engineers to structure complex healthcare data and functionalities, ensuring an optimized and user-friendly experience.

Prototyping and Wireframing Mastery : Lead the rapid iteration of design concepts using industry-standard design tools.

Collaborative Team Leadership: Work in close partnership with product managers, developers, and fellow designers, leveraging your leadership skills and experience to understand project requirements and deliver impactful design solutions throughout the product development lifecycle.

User Accessibility and Inclusivity Champion Advocate wholeheartedly for inclusive design principles, ensuring that our healthcare products cater to users of all abilities and backgrounds.

Stay at the Forefront of Healthcare Trends Maintain a deep understanding of the latest trends, technologies, and regulations within the healthcare industry.

Requirements

Bachelor's degree in Design, Interaction Design, Human-Computer Interaction, or a related field.

An impressive **portfolio** showcasing a proven track record of impactful design projects, with a strong emphasis on data visualization and user-centered design work within the healthcare domain.

Proficiency in design tools such as **Sketch, Figma, Adobe Creative Suite** or similar software.

Extensive expertise in design principles, information architecture, and user experience design, with a track record of successful and innovative design projects in the **healthcare industry**.

A genuine passion for the healthcare domain and a deep desire to create solutions that significantly improve patient care and enhance healthcare workflows.

Excellent **English communication skills**, visionary leadership abilities, and a collaborative mindset to mentor and lead a team of UI & Visual Designers effectively.

Benefits

100% remote position

Work as a contractor with payments in USD

Signing loan for equipment

Paid Time Off
