Company: Svitla Systems, Inc.

Location: Argentina

Category: computer-and-mathematical

Requirements:

7+ years of production experience using game engines to create real-time VFX with a supporting body of work.

5+ years of experience with Unreal Engine.

Experience in using Unreal's Niagara to create FX with a supporting reel.

A general understanding of animation/modeling/texturing and instancing pipelines.

Excellent sense of scale, timing, detail, form, texture, and color.

Expertise in technically deconstructing visual effects from other game and film references.

Deadline consciousness, the ability to manage and organize work to meet all deadlines, and adaptability when changes are required.

Comprehensive understanding of technical considerations for VFX, including rendering efficiency considerations.

A willingness to challenge yourself and to find solutions to those challenges.

Solid understanding of shader and texture creation and application.

Responsibilities:

Create the highest quality real-time visual and particle effects, both in appearance and

performance, while adhering to the project's artistic vision.

Collaborate closely with the design, animation, and art teams to create exciting, eye-catching, and realistic effects that enhance the game experience.

Offer creative solutions to design challenges.

Be responsible for various aspects of real-time VFX production, from design, creation, and simulation to optimization and quality assurance.

Work in Engine and own your VFX's technical and creative processes.

Will be a plus:

Understanding skips the engines and goes straight to the GPU when necessary.

Experience with Houdini, including digital assets for Houdini Engine in Unity/Unreal/Maya.

Knowledge with Maya.

Expertise in reading and writing shader source code using HLSL or GLSL.

We Offer:

US and EU projects based on advanced technologies.

Competitive compensation based on skills and experience.

Annual performance appraisals.

Remote-friendly culture and no micromanagement.

Bonuses for recommendations of new employees.

Bonuses for article writing, public talks, other activities.

15 vacation days, 10 national holidays, sick leaves.

Udemy unlimited training account.

Free webinars, meetups and conferences organized by Svitla.

Fun corporate celebrations and activities.

Awesome team, friendly and supportive community!
