ExxonMobil Business Support Center Argentina S.R.L; empresa afiliada a Exxon Mobil Corporation (\*)

### About us

At ExxonMobil, our vision is to lead in energy innovations that advance modern living and a net-zero future. As one of the world's largest publicly traded energy and chemical companies, we are powered by a unique and diverse workforce fueled by the pride in what we do and what we stand for.

The success of our Upstream, Product Solutions and Low Carbon Solutions businesses is the result of the talent, curiosity and drive of our people. They bring solutions every day to optimize our strategy in energy, chemicals, lubricants and lower-emissions technologies.

We invite you to bring your ideas to ExxonMobil to help create sustainable solutions that improve quality of life and meet society's evolving needs. Learn more about [ExxonMobil](#) and how we can .

[More about us](#)

Our Global Business Center (GBC) in Buenos Aires was established in 2004 and our diverse and multinational workforce of more than 2800 colleagues have been powering ExxonMobil's global businesses ever since. We are proud to be part of an inclusive, safe, and vibrant work environment.

The IT department is seeking new candidates to its dynamic team. The department provides support worldwide to the Organizations all along the value chain from exploration thru site development to production.

### **What role you will play in our team**

Support, manage and evolve ExxonMobil's Remote Graphics Platform (R-GFX) used by geologists to run technical applications to visualize subsurface data and perform reservoir simulations. Main activities: bare metal & virtual infrastructure management, platform automation delivery & consulting, IT data analytics.

Our office is located in Puerto Madero, Buenos Aires and you will interact with geoscientists and users from all around the world.

### **What you will do**

Manage tools for monitoring, alerting, configuration management, automation and other relevant software applications,

Develop infrastructure as code in support of existing infrastructure automation initiatives in an Agile environment,

Document process automation and update security standards for said process,

Work in close coordination with architects, Engineering teams, analysts and stakeholders in a dynamic environment to translate requirements into end-to-end solutions,

Platform and systems security awareness (authorization, authentication, security best practices, etc.)

## **About you**

Bachelor Degree or close to graduating in Software Engineering, Systems Engineering, Computing Engineering, Computer Science, Electronic Engineering, Information Analysis or similar

Advanced verbal and written communication English skills

2+ years' experience in an Infrastructure or Site Reliability Engineering role, applying DevOps principles

Experience managing Windows/Microsoft environments on physical and virtual infrastructure

Proficiency in code versioning tools (e.g. Git), experience with build management and CI/CD (e.g. Azure DevOps, Azure Pipelines, GitHub Repos & Actions)

Scripting and coding skills oriented to automation and orchestration (e.g. PowerShell, Python, Ansible, Terraform)

Strong unit test and debugging skills / troubleshooting

## **Preferred Qualifications/ Experience**

Working experience in an Agile organization

Continuous learning mindset

Proficiency with programming languages

Prior experience working with Linux (e.g. installation, configuration and administration)

Demonstrable technical skills on backend services including setup, administration, scaling and monitoring

Networking core concepts (e.g. proxy, VLANS, Firewall, IP Addressing, ExpressRoute)

Verifiable hands-on experience working with Terraform, ARM/CloudFormation templates or similar technologies

General knowledge about REST API's best practices

## **Your benefits**

**An ExxonMobil career is one designed to last. Our commitment to you runs deep: our employees grow personally and professionally, with benefits built on our core categories of health, security, finance, and life.**

## **We offer you:**

Competitive health coverage

Flexible working hours

3-week vacation up to 5 years of service plus 1 personal day

Online training tools

Gym discounts and activities for sport and general well-being

A solid ergonomic program

Free vaccination campaigns

Medical assistance available in the offices

Equipped maternity rooms

Among others

### **Equal Opportunity Employer**

**All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, sexual orientation, gender identity, national origin, citizenship status, protected veteran status, genetic information, or physical or mental disability.**

ExxonMobil Business Support Center Argentina S.R.L solo podrá solicitarle la información estrictamente necesaria para el desempeño en el trabajo que se ofrece (Ley Nro. 6471 GCBA)

Alternate Location:

(\*) Afiliada ExxonMobil significa Exxon Mobil Corporation y/o toda persona, individuo, sociedad de persona, sociedad con responsabilidad limitada, sociedad anónima, fideicomiso, sucesión, asociación no constituida, representante, joint venture u otra entidad, directa o indirectamente controlante, controlada por Exxon Mobil Corporation o bajo control común con Exxon Mobil Corporation. Para los fines de esta definición el término control (incluyendo los términos controlante y bajo control común con) significa posesión, directa o indirecta del poder para dirigir o disponer la dirección del manejo y políticas ya sea a través de la titularidad de títulos, acciones, cuotas o cualquier otro documento con derecho a voto, o por contrato o de otro modo, respecto de cualquier persona, individuo, sociedad de personas, sociedad con responsabilidad limitada, sociedad anónima, fideicomiso, sucesión, asociación no

constituida, representante, joint venture u otra entidad.

Nothing herein is intended to override the corporate separateness of local entities. Working relationships discussed herein do not necessarily represent a reporting connection, but may reflect a functional guidance, stewardship, or service relationship.

Exxon Mobil Corporation has numerous affiliates, many with names that include ExxonMobil, Exxon, Esso and Mobil. For convenience and simplicity, those terms and terms like corporation, company, our, we and its are sometimes used as abbreviated references to specific affiliates or affiliate groups. Abbreviated references describing global or regional operational organizations and global or regional business lines are also sometimes used for convenience and simplicity. Similarly, ExxonMobil has business relationships with thousands of customers, suppliers, governments, and others. For convenience and simplicity, words like venture, joint venture, partnership, co-venturer, and partner are used to indicate business relationships involving common activities and interests, and those words may not indicate precise legal relationships.
