Company: Avature

Location: Argentina

Category: computer-and-mathematical

We will consider applicants from all locations within Argentina. When creating a business-driven product within a dynamic industry, excellence in customer relationship management is fundamental. Our Account Managers are key players in building long-lasting relationships with our customers, based on both a profound understanding of their business and a personalized approach to managing those relationships.

Your challenges and objectives:

Gain extensive knowledge of Avature's solutions, including future capabilities.

Navigate complex client organizations, quickly understanding their business objectives and how Avature can assist in achieving them.

Drive retention, expansion, and advocacy, positioning yourself as a thought partner throughout your customers' journey.

Maintain Avature's reputation of providing superior customer service.

Your day-to-day activities:

Manage a select portfolio of customers.

Perform standing quarterly business reviews with each customer.

Continuously analyze your customers' health and solution usage to recommend relevant, value-adding enhancements.

Manage change request projects: analyze needs, liaise internally with relevant teams,

coordinate communication between parties, and see projects through to delivery.

Hold periodic calls with customers to review ongoing projects, customer health, and discuss enhancements and new features relevant to them.

Guide customers on best practices and processes that will set them up for success.

Interact with internal teams to stay up-to-date with new system functionalities and their use cases.

About you:

Minimum Qualifications:

Fluent in English.

Permanent residency in Argentina.

Excellent verbal and written communication skills.

Analytical and able to see the bigger picture, matching specific Avature solutions to each client's business objectives.

Independent, self-motivated, and driven to investigate possible solutions for challenges with no pre-established answer.

Organized, with the ability to manage a wide range of customer activities.

Preferred Qualifications:

Previous experience working with large multinational companies.

Previous experience in high-growth SaaS companies will be highly valued.
