

Solution Architect

[Apply Now](#)

Company: Intive

Location: Buenos Aires

Category: computer-and-mathematical

What you will be doing:

As a Consultant Architect, you will work closely with development teams to tackle technical challenges and steer the software component development strategy. This role is crucial for ensuring excellence in implementations and driving the redesign of existing solutions when required.

Responsibilities:

Collaborate in problem-solving and defining efficient architectures.

Provide strategic direction in designing and implementing solutions.

Effectively communicate with various team members (e.g., functional and technical analysts) to propose viable solutions.

Design, document, and communicate architectures at different levels.

Evaluate technical feasibility and provide recommendations based on detailed analysis.

Identify and lead improvements in software assets.

Redesign existing assets as necessary.

Assist in resolving performance, security, and scalability issues.

Stay updated on technological trends and best practices.

Act as a technical mentor to develop team skills.

You are a good match if you have:

Bachelor's degree in Computer Science, Engineering, or related field

5+ years of experience in web development using Java or .NET Core

Strong familiarity with Flutter, Angular, or ReactJS (desirable)

Prior experience in the banking industry is highly desirable

Minimum 1 year of experience in cloud architecture

Proficiency in Docker containers and container orchestration

Expertise in designing and implementing APIs and microservices

Knowledge of application security solutions and best practices

Experience ensuring reliability, resilience, and observability of applications

Familiarity with Confluence, Jira, or similar collaboration tools

Exceptional communication abilities

Why intive?

We cultivate an environment where innovative ideas and excellence have room to thrive - even with a remote workforce. Our culture of learning rewards curiosity and gives our team members opportunities to learn, grow, and own the evolution of their careers.

Competitive Salary –We offer a compensation model which pays in USD.

Remote Work, Flexibility & Balance – We work 100% remotely. You are welcome but not required at our offices in Buenos Aires, Cordoba and Mar del Plata (Argentina). We have flexible benefits to support healthy work/life balance and growing families.

Career Path Planning You can create a career path based on your goals. We provide training, mentoring, and support to help you along the way.

Training & Mentorship– Learning and Development is a big part of our company culture. You will have unlimited access to Udemy, internal courses and training, and a robust

mentorship program.

Chapters– you will join the community of intivers sharing the same professional profile.

There is space for knowledge sharing with people with similar capabilities to yours and to access the latest technology trends.

Culture & ConnectionWe cultivate connections within teams, across functions, and up and down the org chart. We make sure everyone is noticed and feels connected to our mission and each other.
