Company: Thirdera

Location: , , Argentina

Category: other-general

Sr. ServiceNow Technical Consultant - Argentina (Remote)Thirdera is looking for highly skilled Sr. ServiceNow Technical Consultant to join our Latam team!What isThirdera?Thirderais a global services provider that uses ServiceNow to help enterprises unlock their business and customer workflows in the cloud through digitization and automation.Thirderabrings together the power of the ServiceNow platform and its limitless potential across the world of work. Our architects, developers, consultants, designers, and project managers help our customers transform, get more from ServiceNow, and unlock hidden potential. We are ushering in the next era of transformation, digitization, automation, and partner expectation, all with and at the speed ofNOW.Your MissionYou will use your knowledge and experience to design and implement solutions for the ServiceNow platform. You will define, develop, test, analyze and maintain software applications that will enable your clients to reach the full potential of their ServiceNow solution; performing at high levels of autonomy.You will also provide mentoring, guidance and support to the more junior members of your team; sometimes acting as project team lead.What's in it for you?We offer a fun, highly engaging and unique culture. You'll get the best learning and career experience from day 1, by being able to work with ServiceNow Experts, access certifications and accreditations.You'll be empowered to work for top of the line companies and amazing partners, while having fun at it!Who are we looking for?Talented developers, passionate about ServiceNow solutions; organized and with excellent time management skills. We're looking for creative people, who think out side the box and strive to learn new things and share knowledge with their team mates; in one sentence, people who lead by example.Requirements:Software engineer,

technician, technologist or related Education Certificate. Experience working under ITIL framework. Certification preferred. 5+ years of experience working in software development. 3+ Years of experience working with ServiceNow. Experience working in with USA companies. Ability to develop new knowledge with ease. Willingness to share knowledge and assist teammates. Salary Range Welcome to Pay for Performance! We provide competitive compensation, generous benefits and a professional and culturally diverse work environment. Work-life balance is very important to us so our job opportunities allow for remote working so you can manage your own time. Application and Selection Process A phone screen with our TA team to validate your experience and expectations for new opportunities. A technical test and interview with our Service Delivery professionals to measure your skills. A standard Background and Work Reference Check. If all above goes well, you will get an offer.
