## Technical Implementation Analyst

[Apply Now](#)

Company: JPMorgan Chase & Co.

Location: Buenos Aires

Category: computer-and-mathematical

At JPMorgan we are on a mission to expand our teams with talented individuals who understand that we put our clients at the center of everything we do. By joining CIB Implementations you are joining a team dedicated to delivering payments and receivables solutions to a diverse set of clients around the globe. If you are driven by the need to exceed client expectations and enjoy the camaraderie of a diverse, proactive team, we want to meet you. The right relationship is everything.

### **Job Responsibilities:**

Representing us as the client facing, technical contact responsible for a successful end-to-end client experience during complex treasury product implementations with clients around the world

Manage client and internal partner expectations with consultative advice regarding technical aspects of treasury solutions including – RFP responses, client presentations and client visits

Scope client requests and translate business requirements into detailed technical specifications for treasury services

Establish test environments, validate file formats, execute testing, coordinate back-office testing, track test results, and assist the client with resolving errors.

Use of MS Office tools to document scope, meeting agendas and minutes and project plans

Use of workflow tool for status updates and document repository

Manage client and internal partner expectations by establishing timeliness and dependencies with the goal to exceed expectations.

**Required Qualifications, Skills and Capabilities:**

Technical project management experience or experience with complex treasury implementations

Comfort in a fast paced, dynamic client-facing environment

Ability to clearly communicate, partner and influence - leading others to a common goal

Project Management experience or eagerness to learn

Payments and Receivables experience or eagerness to learn

Technical Consulting or business analysis experience in the ERP, systems integration, or API space

MS Office Suite experience

If you join the company, you will be part of a diverse and inclusive team that supports each other and will empower you to do your best work.

Your wellbeing is very important to us. Below you'll find some examples of ongoing initiatives to promote it and a link to learn more about our benefits & culture:

Home office/flexible work arrangements and work tools to ensure a great experience.

Generous vacation, exam and parental leave.

Support for parents, including Family Network that provides support to parents and caregivers, Lactation room on premise, and Paid Day Care for your children up to 6-years-old.

Medical coverage for you and your family, including domestic partners.

Employee Assistance Program which provides personal and confidential advisory on psychological, financial and legal matters.

Wellness programs – . Yoga, stretching and mindfulness classes delivered on premises.

Language classes, mentorship programs and customized trainings.

Platform for employee discounts in Buenos Aires.

Many others that will be presented to you if you join the team.
