## Transfer Pricing - Senior - EY Global Delivery Services

[Apply Now](#)

Company: EY

Location: Buenos Aires

Category: business-and-financial-operations

Transfer pricing is an accounting practice that allows for the establishment of prices for the goods and services exchanged between two associated enterprises.

The Transfer Pricing team helps review, document, manage and defend client's transfer pricing policies and processes — aligning them with their business strategy.

They will also work with you to build the proactive, pragmatic and integrated strategies that address the tax risks of today's businesses and help your business achieve its potential.

### **Requirements**

The candidate must demonstrate project management, leadership, communication, relationship building, analytical, interpersonal, multi-tasking and organization skills. A focus on quality and attention to detail is required.

The candidate must also demonstrate advanced understanding of the principles of VAT and be able to guide the team in applying the same.

The candidate will have responsibility to handle multiple engagements within the practice assigned and therefore must have the ability to multi-task.

As the candidate will work extensively with various technology tools, should show strong proficiency in effectively using computer / technology.

### **Qualifications**

Master's degree (or CA/ ICWA/CS Inter/ Final) required

At least 4-5 years of previous Transfer Pricing experience. Preferred that the candidate has

exposure to complete or partial Global documentation projects within the Transfer Pricing field

Should be handling a team
