The Role

The Role – Personalized Internet Ads Assessor

In this job you will be reviewing online advertisements to improve their content, quality, and layout. You will be required to provide feedback and analysis on advertisements found in search engine results and provide ratings on their relevance to the search terms used.

Another aspect of this opportunity will involve reviewing the language used in advertisements by examining grammar, tone, and cultural relevance.

As a Personalized Internet Ads Assessor your goal will be to contribute towards making internet search and online advertising more relevant and interesting for all **Italian** speakers in **Argentina** .

The Requirements

You must be living in **Argentina** for the last 3 consecutive years

You must have familiarity with current and historical business, media, sport, news, social media and cultural affairs in Argentina

Suitable candidates must have full professional proficiency in English **Italian**

Access to and use of a broadband internet connection and associated computer and antivirus software to perform the work, all provided at your own expense

Experience in use of web browsers to navigate and interact with a variety of content

Access to and use of an Android (version 4.1 or higher) or IOS Smartphone (version 8 or higher) to complete tasks

A Barcode Scanner application must be installed on your smartphone to complete certain tasks

Active daily user of Gmail and other forms of social media

- Working on this project will require you to go through a standard recruitment process (including passing an open book assessment). This is a part time project and your work will be subject to our standard quality assurance checks during the term of this agreement.
